Student Editorial by Ella Yanke (Kids Class):

"Karate is so cool!! I like the games! It's so cool because I can do high kicks and spinning flying ninja kicks too! I love Karate so much! I want to earn my black belt!" - Ella Yanke

Sometimes there is no need to express your love and dedication in hundreds of words, as Ella put it, karate is something she loves and enjoys and will continue for many years.

With the Christmas and the New Year around the corner we all get very busy, but some of our students have a strong dedication and didn't want to miss out on the last class before Christmas.

All of us here at Red Dragon Martial Arts Academy wish you a safe winter season, Happy Holidays and a Happy New Year!
